PROJECT TOPICS FOR SEMESTER I ENGLISH MINOR INTERNAL ASSESSMENT 2025

ENG-MIN-T-101

Any One of the following

- Characteristics of human language
- Different levels of language change
- Functions of the organs of speech
- Phonemic transcription of the following passage:

Ratliff believes that tone is where the humanity lies, where the emotion sneaks in. The tonal quality that a musician places around a note reveals something about them. It's a confession: this is how I'm feeling right now. To understand tone, try blending your senses, seeing, feeling, and even tasting the tone.
