This document establishes the guiding terms and principles of collaboration between the two organizations:

I. Legal Frameworks of Both the Organizations

Jangipur College, established in 1950, is a State Government-Sponsored and affiliated college of the University of Kalyani. The College is included under Section 2(f) & 12(B) of the UGC Act, 1956. The institution has rapidly emerged as one of the most promising educational institutions in Murshidabad, West Bengal. With a strong focus on the dissemination of knowledge, the college offers Undergraduate Courses in Honours and General Courses for the B.A., B.Com. & B.Sc. streams. The institution holds a steadfast commitment to the all-round development of its students, aiming to cultivate their sensibility to beauty, harmony, value systems, culture, social justice, heritage, scientific temper, and the environment. Through this holistic approach, Jangipur College strives to shape self-reliant individuals who actively contribute to their communities. The College, having its campus at Jangipur, Raghunathganj-I, P.O.- Jangipur District - Murshidabad, Pin-742213, West Bengal, India, is represented by the Teacher- in- Charge of the institution, Dr. Naba Kumar Ghosh, here in after referred to as the FIRST PARTY (which term or expression shall, unless excluded by or repugnant to the context, be deemed to mean and include its successor in office, representatives, administrators, and assigns). Sukanta College, established in 2008, is a State Government-aided and affiliated college of the University of Calcutta. The college is situated at Bhangankhali village of Basanti Block in South 24 Parganas district. This is the only important institute for higher studies for the people living in this area and other corners of the Sunderban delta who are not economically well off. In spite of several limitations and infrastructural inadequacies, with the help of the dedicated teachers and the helpful non-teaching staff, we maintain a healthy academic environment, which helps the students to reach their goals. At present, we have nearly twelve-hundred students studying different disciplines in different years. Nine subjects are
